dedication

Because we take pride in receiving our diplomas from a high school which has gained regional recognition for its systematic administration and high academic standards; because we recognize that our school's program has given us opportunities for training in basic skills, growth in self discipline, and the development of wholesome personal and social attitudes; and because we value the spirit of friendliness and cooperation which pervades our school; we, the class of 1957, respectfully dedicate our Re-Wa-Ne to DAVID W. FINCH, PRINCIPAL OF RENO HIGH SCHOOL, whose ideals, principles, and hard work are responsible for the standards of this school.

MR. FINCH: Many classes will come, and many classes will go. Ours may soon be forgotten. We of the class of '57, though, will always remember our four years at Reno High School. We have learned many things to help us in life. For this and all you've given us, we thank you.

Respectfully,
The class of '57

MR. GALLAGHER: The past four years have held many memories; we hope not just opening lockers, signing posters, and finding our lost articles. We've had a lot of laughs and a lot of fun together. We appreciate everything you've done for us.

Sincerely,
The class of '57

MR. ROSASCHI: After four years, your name sounds strangely familiar to us. "If only we hadn't cut or gotten those demerits!" We had our ups and downs but always you were there to help us. Thank you for your patience and understanding.

Sincerely,
The class of '57
